

***“Free Assemblies For Norwich and South Norfolk  
Schools on Communication and Confidence.”***

The Black Belt Academy are prepared to present an assembly for any school in Norwich and South Norfolk, who would like to re-enforce the importance of Confidence and Communication skills in their pupils. The presenters will give a lively, entertaining and informative presentation adjusted to the amount of time available at each location (usually between 20 and 50 minutes).

They will ask thought provoking questions and give tips on how to achieve desired outcomes.

Confidence and Communication are just two of the 12 monthly ‘Leadership’ themes that are run at the Academy and we feel these will re-enforce messages that are already being given to students by school staff.

Every child attending will be given a sheet to complete (either on Communication or Confidence) and, if they choose to, these completed forms can be exchanged for a small gift at any of our Academy locations. The sheet will remind students of the content of the assembly, ask some thought provoking questions and give tips on how to Communicate better/develop more Confidence. It will also serve as information for parents.

If you would like to book one of these presentations or collect more information please call us free on 0800 1691328.

We look forward to working with you to create a more successful population.
