BULLY 4 YOU

KEY STAGE ONE AND TWO

'Bully 4 You' is a performance based multi media workshop activity for schools to experience alongside their existing anti bullying initiatives. Developed with the support of the children's charity 'Childline' in Spring 2004 'Bully 4 You' has been touring nationwide since April 2004 with demand increasing at a rapid rate.

Taking real life case histories 'Bully 4 You' uses role play, forum theatre and performance to explore the effects and solutions to each situation performed. Featuring three professional actors/ facilitators the production lasts for approximately 1 hour 50 minutes.

KS1

The key stage one version features two short plays 'Monster in a Box' which looks at what is bullying and 'Red Hair and Freckles' which concentrates on not joining in with the bully and features two real life case histories.

KS2

The key stage two version looks at 'What is bullying?' 'Am I a bully?' and features 4 real life case histories including mobile telephone bullying.

The cost of 'Bully 4 You' is £485 ex vat for a whole day which breaks down into a morning session for KS2 and an afternoon session for KS1. For schools wanting just 1 performance the cost is £299 ex vat.

"Thank you for such an entertaining and fresh approach to this sensitive subject, the stickers for the children who took part was a great idea, we shall continue with the role play in class.

Headteacher. Derby
