

‘Leadership Skills Vouchers.’

These vouchers entitle either a child or an entire family to enjoy training at our Academy locations (central Norwich, South Norwich, Holt, Diss and Harleston) for a whole month. In this time we hope they will pick up some positive influences and (of course) some will be inclined to continue with us. The vouchers will generate income for the ‘Friends of’ or ‘PTA’ at each school.

This is how the vouchers work.

Any school that would like to generate £20 or £30/ voucher sold simply has to inform all the children and parents that a whole month of Martial Arts and Leadership tuition is available at the Black Belt Academy through a special arrangement with the School – see below.

The School prints the voucher, fills in the details and gives it to the parent/child. The School collects (and keeps) the value of the voucher.

The parent (purchaser) calls us to arrange a free one to one and subsequently a month of tuition.

The family that purchased the voucher enjoy a month of training with us and hopefully, some will continue after this period.
