

Norwich Cathedral

A Journey Through Time

Take a journey through time with us on Saturday May 25th to meet many of the fascinating characters who have lived, worshipped and even fought within the Cathedral.

This year's event will feature Saxons, Normans, Benedictine Monks, a medieval candle maker and herbalist, Tudor musicians and Civil War soldiers.

There is also a chance to meet an 18th Century Balloonist and a World War II Home Guardsman.

Many other activities are taking place between 10am and 4pm including dressing up in costumes, medieval calligraphy and Tudor food in the restaurant. There is also an opportunity to join in as the Civil War soldiers muster in the Cloisters and seek new recruits for the pike regiments.

This FREE event is suitable for all ages and is run by the Cathedral Education Department. Contact Saul Penfold on 01603 218320 for further details.
