

**CSV**   
**MAKE**  
A DIFFERENCE  
**DAY**

CSV Make a Difference Day is on

**29.10.2006**

Activities take place  
21 October - 4 November 2006

## **Class Act!** Make a difference and become the stars of your community

### **A fantastic way....**

...for your school to develop and add  
to its Citizenship and PSHE work

...for your pupils to gain confidence  
by focusing on community issues  
that they care about

...for your school and pupils to build  
links with the wider community

- ★ Link into your existing lesson plans or use the day as a one-off enjoyable event
- ★ Pupils can get involved as a class, year group or whole school
- ★ Register to receive a free Action Pack full of useful resources for your activity

**Get involved this year and join  
over 110,000 other people**

For more information or to register your  
activity call FREEPHONE 0800 284 533  
or go to [www.csv.org.uk/difference](http://www.csv.org.uk/difference)

# FROM YOUR CLASSROOM TO THE COMMUNITY...

Take part on 28 October 2006, or a week either side, to create a project most relevant to your teaching and pupils. We will provide a free Action Pack filled with tips for a successful event, certificates, posters and much more.

## Use these fantastic free resources to inspire you.

### **Cats Protection; for primary schools**

Cats in the Classroom features a range of activities introducing pupils to cat care, looking after money, responsibility and the role of voluntary organisations and charities. The pack contains a poster and a CD supporting the curriculum for Literacy, Numeracy, PSHE and Citizenship.

### **CSV Health; for youth workers and secondary schools**

By identifying the main food groups, this pack helps groups consider how to lead healthier lifestyles.

### **CSV Disability; for youth workers and secondary schools**

This pack covers the issue of disability and how it can affect everyday life. Lesson plans and resources focus on examining how the media portrays people with disabilities and what facilities are available in the local community.

### **CSV Justice; for youth workers and secondary schools**

What is trade justice and is it important? This pack provides lesson plans and resources for groups to consider the implications of world trade agreements and the benefits of fair trade.

Community Service Volunteers (CSV) is a registered charity (no. 291222)

## 2005 SCHOOLS' ACTIVITIES

Here are some examples of activities that schools completed for CSV Make a Difference Day 2005:

- ★ Pupils at Plantation Primary School helped serve lunch and assisted in a raffle and bingo event for elderly people at the local Day Care Centre.
- ★ Pupils at Abronhill Primary School worked with nursery children to brighten up the nursery garden with colourful illustrations.
- ★ St George's Church of England High School in Blackpool organised a skipping and basketball shootout in order to support the local special needs school.

Getting involved couldn't be easier.
