

# ENGLISH HERITAGE

## **Medieval and modern constructions**

Explore through practical workshops how people from the past solved construction problems.

How did they build huge and beautiful buildings such as the church at Castle Acre priory?

By using a large scale construction kit, students can become real engineers and explore forces in action.

### **When**

October 16<sup>th</sup>-20<sup>th</sup>

Two sessions are available each day  
10-12 and 12:30-2:30
