

give an education, change a life

UK SCHOOLS

FREE

RESOURCE PACK

For DEVELOPMENT EDUCATION

A charity specialising in providing primary education to the most marginalized children of South Asia is offering free resources to UK primary schools, focusing on the lives of children in South Asia. The pack aims to dispel stereotypes and allow children to explore the similarities and differences between themselves and South Asian children. Packs consist of differentiated lesson plans for Key Stages 1 and 2 and contain **ALL necessary resources** including photos, stories, games and worksheets.
