

NORWICH MIDDLE
2007 TOURNAMENT

SCHOOL NETBALL ASSOCIATION

TONY O'ROURKE

South Harford C.M.S. Norwich NR6 4LG

This is the flyer about the very last ever Norwich Middle Schools Netball Association Netball Tournament / Festival. (Girl Players Only)

At the A.G.M. it was agreed to open up to all who want to attend. I have spoken to U.E.A. and if there is a huge response we can have the courts booked all day, possible. However I would like to keep to @ 16 teams per age group.

This tournament will be held under full 7 a side rules. This will be the last tournament held under these rules. Independent court officials will umpire as in past years. Balls will be size 5, and will be provided by the tournament. The tournament will be round robin. Winning team will win Goldie medals, silvery medals for runners up and bronzy medals for third. All participating schools will be e-mailed a participation Certificate for your team members.

The two age group winners and one runners up team will be awarded the Shield and Plinth. However they are to be returned to the organisation by July 1st. The organisation will hand over possession of the two shields and one plinth to the schools that have won them on most occasions in its history to keep. They will be handed over at the A.G.M.

Entry fees for this years tournament are £5 per team. Cheques made payable to South Harford Middle School. Only one team is allowed per year group, and a squad of ten players is allowed.

If you have any questions either e-mail me or phone the school. I'm usually available on Tuesdays and Wednesdays.

Yours as ever

Tony O'Rourke
