Dear NGN Contact Governor/Chair of Governors

Please find enclosed the programme for our Summer Discussion Forum, which we would be grateful if you would circulate to **all** your fellow governors.

We have two guest speakers - Susan Falch-Lovesay, Head of Environmental Sciences at the Norfolk Education Advisory Service, who will give a talk on how to help your school reach its environmental potential, and Diana Madden, Child Protection Development Officer for Norfolk & Suffolk, who will talk on her role. They, in turn, would benefit from your comments and ideas.

You will note that there will be an opportunity during the Forum to look at topics that are of concern to Governors at this time. We would particularly welcome issues for discussion that you would like raised. We would appreciate advance notice, and in return would hope to give a better response.

We look forward to seeing you on Saturday 29th June, and, although a reply would be helpful, **all** governors will be most welcome - even at the last minute.

Yours sincerely

Judy Leggett
Chair of the Network County Committee
