

and

NORFOLK AUTISTIC

SOCIETY

Working with parents, Norfolk Children's Services, schools and the ASD Steering group to:

'make school make sense in Norfolk'
*for children & young people with an Autistic Spectrum Disorder
including Asperger syndrome*

presenting
'Solutions are not rocket science!'

Monday 23rd April 2007

at Dereham Football Club
'drop in' & stay as long as you like
Between 9:30 & 18:30

(Advanced booking required for workshops & seminars)

Cost: **parents/carers** of children with an ASD **free**
All **others £10 each** to help towards the cost of this event
(Payable in advance or on the day except where bookings are made for
workshops or seminars when the fee must be paid in advance)

The recently released
prevalence studies
show that
**1 in 100 children are
on the autistic
spectrum,**
which means that
ALL teachers can
expect to teach at least
one of these children.

- Bookable short seminars & workshops
 - Exhibitions of resources
 - Find out what's available in Norfolk & how to access it (including training)
 - National Autistic Society Book stall
 - 'Freebies'
 - Display of good practice
- And more...

**See overleaf for details of workshops & seminars
booking form attached (please return by 31st March 2007)**
