

TWO EXCEPTIONAL STUDENT CONVENTIONS FOR STUDENTS AGED 15 - 18

– both local and free to attend.

Wednesday 26th September 2007

REV STUDENT CONVENTION A CAREER IN ENGINEERING AND/OR MOTORSPORT At the Hethel Centre, Nr Norwich

9.15am onwards

Set up to assist students interested in pursuing a career in engineering and/or motorsport. The day will consist of

- Presentations from a multitude of different areas including the armed forces, local businesses, higher education establishments and people who have actually progressed to a career in the sectors.
- Exhibitors including local businesses, national businesses and further education establishments both locally and further a field.
- Competitions to test engineering skills.
- One to ones with the experts.
- CV and presentation skills guidance
- Displays of engineering and motorsport interests
- Demonstrations of machinery

The day is bought to you by the Rev project (www.revproject.com) and sponsored by Aim Higher and for the first time ever the event will focus only on pursuing a career in engineering.

The day is ideal for students studying physics, maths, design, technical drawing, business studies or vocational training in appropriate areas. Or those showing an interest in engineering, motors etc. Suitable for 15 – 18 year olds.

There are only a few spaces left on the day. If you want to book contact Tom on 01603 702374 or email tom@thelivelycrew.co.uk Full details will be sent out on confirmation of booking.

Creative Industries Students Convention (Shaping Norfolk's Future) Monday 1st and Tuesday 2nd October 2007 John Innes Centre, Norwich 9.15am onwards

Now in its second year, and expanded over two days to offer more students a place on this previously over subscribed event, the Creative Industries Student Convention is free to attend and gives students the opportunity to hear from top level practitioners on how to progress a career in the Creative Industries.

There is a wide range of subjects covered over the course of the two days as follows:

Monday 1st October

Web design
Architecture
Radio
Animation
TV and Film

Tuesday 2nd October

Photography
Journalism
PR, Marketing, Communications
Graphic Design
Advertising

Each presenter will give an in-depth talk on how to get onto the career ladder and progress a career in a particular subject area.

Suitable for 15-18 year olds.

There will also be further education establishments available to discuss the next step and one to one sessions with industry specialists.

The event is ideal for students studying English, Design, Photography, Arts, Drama, Business Studies, Media Studies, Computer Studies, Travel and Tourism, Technical Drawing. Or those showing an interest in the Creative Industries.

Spaces are available on both days. Contact Tom on 01603 702374 or email tom@thelivelycrew.co.uk asap to book places. Further details will be sent on confirmation of booking.

SPACES ARE LIMITED AT BOTH EVENTS SO PLEASE RING TO CHECK
AVAILABILITY ASAP.
