

Free Primary School Education Pack  
Celebrating The Queen's Jubilee Baton Relay

Dear Mr. Slater,

As I am sure you are aware, The Queen's Jubilee Baton Relay is passing through your area this summer.

Cadbury are the official presenting partner of the Queens Jubilee Baton Relay and to commemorate the event we are offering a **FREE** primary school education pack. The pack is written by teachers for teachers and is full of fun ideas of ways that schools can celebrate this event, with a range of literacy and numeracy activities linked to the Relay.

The pack is a great way to get the schools in your local area involved in the event. Packs are free of charge but offered on a first come first served basis, so schools need to act quickly!

If you know of any schools in your area who are either visiting the relay or doing project work based on The Commonwealth Games, the pack is ideal. They simply need to contact us via fax or email with their details (Headteacher, School Name, School Address) and we will dispatch a pack to them. There are also a limited number of Cadbury Flags available for schools that are visiting the relay route.

We are sure that this pack will be of interest and we hope that you can promote it to the schools in your area.

Yours sincerely

PP *Kate Van der Plank*
