Fact Sheet

Why do I need to know about IP Premium Recycled

IP Premium Recycled is a high-white premium recycled sheet recommended for laser, inkjet and copier applications.

IP Premium Recycled:

- Is 100% Post Consumer Waste
- Has a target whiteness level of 160 CIE
- Carries the National Association of Paper Merchants (NAPM) endorsement.

What sizes is it available in?

Cutsizes: 80gsm (A3 & A4)
Folio: 80, 90, 100gsm (SRA2)
Reels: Available upon request

Where is IP Premium Recycled manufactured?

IP Premium Recycled is manufactured at Inverurie Mills, which is located outside the the market town of Inverurie, 15 miles out of Aberdeen in the North East of Scotland. The mill is located on the River don, a class a salmon and trout river (as defined by the Scottish Environment Protection Agency).

What is the environmental status at Inverurie Mills?

Inverurie Mills has an outstanding environmental record, regularly performing under permitted requirements for waste Water and Air Emissions. the mill is ISO 14001, ISO 9001:2000 and OSHA 18001 certified. the complete paper profile for Inverurie Mills can be found in the environment section at: www.ipaper.com/europe

WANT TO KNOW MORE?

For a copy of our environmental brochure or to request any further information, please contact IP's marketing department at Inverurie Mills on 01467 627218 (Monday - Wednesday) or 01467 627155 (Wednesday - Friday)
