

Teachers' Day

South Norfolk Council Countryside and Heritage Team would like to invite you and/or members of staff to a "Meet the Countryside Rangers Day" to be held on Wednesday October 24th at Dunston Common, 10.00-12.00am.

The aim of the day is to demonstrate the range of activities that we can offer your school, either in a classroom setting, site visit or a more informal, after-school club environment.

We currently work with many schools within the district and are keen to extend our work to other interested schools. The South Norfolk Countryside Rangers have a wide knowledge and experience of the countryside and larger environmental issues. We are happy to tailor activities to meet your requirements. We also have experience in designing, building or renovating school nature areas, ponds and outdoor classrooms.

We manage twelve countryside sites across the district; these include commons, woodlands and wetlands, all of which are available for group visits. We are also currently building a stock of equipment and resources to be used by schools, with assistance from us. Our Head Ranger is also a Level 2 qualified British Sign Language signer.

Please feel free to join us to see the work we do and to discuss your requirements.

If you would like to attend, please contact me either by phone on 01508 533684 or by email – shammond@s-norfolk.gov.uk

Thanks for your time, Steve Hammond (Head Countryside Ranger)
