

Theatre Centre

Theatre Centre is an established theatre company touring new work for children and young people for over 50 years. In 2008, we are touring two exciting new shows which I believe schools and venues in your area will be interested in:

How High Is Up? by Brendan Murray

National Tour May - June 2008

Suitable for ages 4+

How high is up? How deep is down? Which way are you facing when you turn around?

Little Star's friend is very old and about to die. Little Star can't accept this and goes on a journey through the World with the help of her friend The Bird Who Has No Wings to stop Time. Watched over by the Sun and Moon, she meets three Magicians along the way and learns about change, acceptance and responsibility. Full of music and movement, this magical play celebrates life in all its changes and its lasting truths.

A New Play Inspired by The Tempest by Oladipo Agboluaje

National Tour September - November 2008

Suitable for ages 14+

Theatre Centre will produce a new play inspired by Shakespeare's *The Tempest* in collaboration with Nós do Morro Theatre Company in Brazil.

Further information about Theatre Centre and our previous projects can be found on our website www.theatre-centre.co.uk.

I hope you find our forthcoming projects of interest and will forward these details to the schools and venues in your area.
