Join in the fifth annual National Doodle Day and **"Just doodle it"!!** Join us and more than 750 celebrities who have put pen to paper and doodled to support the work of the Neurofibromatosis Association and Epilepsy Action.

Taking part is dead easy. Just donate £1 for your official doodle card, doodle away to the theme of "Just doodle it!" and send it off. **This year BIC are donating £500 worth of stationery products for the best primary and secondary schools!**

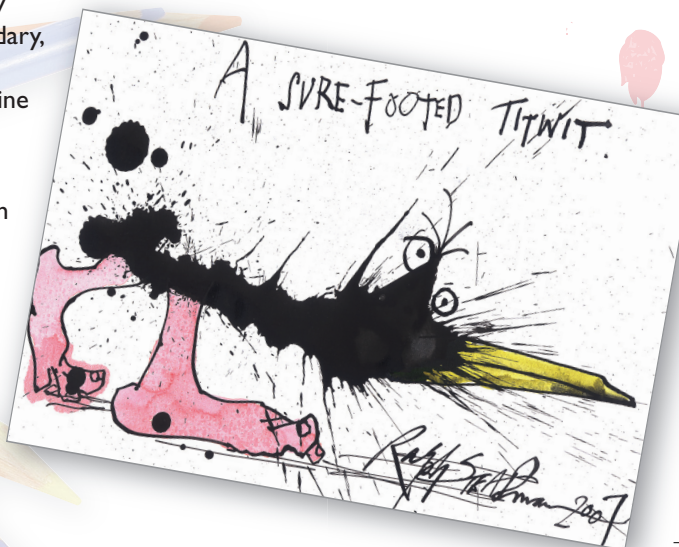

Certificates will be awarded in many categories, including the best secondary, primary and junior school and your doodle could be featured in the online doodle hall of fame!

To take part and organise your doodle event simply fill out the form overleaf and post back to us at the FREEPOST address or visit:

www.nationaldoodleday.org.uk

We need enthusiastic organisers to help us get as many people doodling as possible! Taking part is really easy. Just complete the form below and send to the FREEPOST address, we'll then send you doodle cards and everything you need to organise a great fun event. All you need to do is get people on board, ask for a £1 donation for each doodle card and then send the cards and donations to us! As well as being great fun, remember that National Doodle Day is also about making a difference to people's lives. You could also win £500 worth of BIC stationery products for your school!

So, to get doodling, fill out the form below NOW!, or visit our website and do it online: www.nationaldoodleday.org.uk

Lloyds Pharmacy will also be supporting this year's doodle day and will be providing two £500 cash prizes for the winners of individual competitions. For more information please visit the website.

National Doodle Day has so far raised over £120,000 to support the work of Epilepsy Action and the Neurofibromatosis Association, helping literally hundreds of thousands of people in the UK whose lives are affected by these neurological and genetic conditions.

All funds raised by National Doodle Day go towards the work of the two charities The Neurofibromatosis Association, registered charity in England (No. 1078790) and Epilepsy Action, registered charity in England (No. 234343)

We would like to be involved in National Doodle Day

School _____
