We Save the Children  Will you?

We're the world's independent children's charity. We're outraged that millions of children are still denied proper healthcare, food, education and protection. We're working flat out to get every child their rights and we're determined to make further, faster changes. How many? How fast? It's up to you.

We Save the Children  Will you?

We're on a mission to find schools that want to have fun, celebrate friendships and change children's lives for the better.
