

We formally invite you to the much anticipated launch of our **Smile Boxes!**

The **smile boxes** are our own initiative, which enables targets of bullying to express their emotions and tell someone that they are being bullied, confidentially, through the medium of a yellow post box.

The launch will be held at **864 (Watton) Sqn.** on the **28th June 2008, from 2.30pm – 5pm.** We really hope you can attend, as you have helped us so much throughout the project

Thank you,

Just Smile!
