Carriage:

All prices are inclusive of carriage.

Colours, Sizes and Finishes:

Many of the items shown in the catalogue offer a choice of colour, size and / or finish. One of the main causes of delays or incorrect deliveries is missing or unclear colour, size or finish detail. Please therefore ensure that you include all these details on your order.

Colour Reproduction:

Due to the limitations of the printing process we cannot guarantee exact colour reproduction on items in the catalogue. Once the goods have been supplied in accordance with your colour selection it is not generally possible to return or exchange them.

Saber Daynes will be pleased to supply actual colour samples upon request. If you are in any doubt about colours please do ask for colour samples!

Guidance on delivery times can be found on individual pages. If you have a particular deadline, please contact the appropriate buyer for guidance prior to placing your order.

Deliveries:

Items ordered from this catalogue will be supplied by Saber Daynes who will locate them in rooms as directed then unpack and remove packaging.

All goods must be checked at the time of delivery. Failure to report shortages/damage at the time of delivery could jeopardise our ability to obtain replacements/repair on your behalf.

You should always satisfy yourself that deliveries are correct before signing for goods.

Return of Products:

Items are usually manufactured to customers' individual requirements, and are therefore generally non-returnable (where supplied as ordered). If it is necessary to return anything, please contact the Directs Team as soon as you receive the delivery, or at the latest within 48 hours.

Please quote:

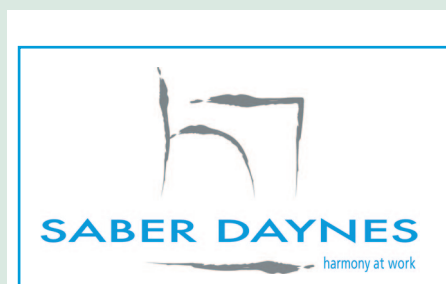

- Your Delivery Point Number (DPN)

Please do not return items unless you have arranged to do so with the Directs Team.

Order Cancellations:

All Order Cancellations for products featured in this catalogue need to be put in writing to ESPO. This may incur supplier cancellation charges that will be passed on to the end user.
