Keswick Young Voices

What do we do?

- We are a children's choir with an excellent reputation. Our aim is to encourage children to sing together for enjoyment and musical experience.
- We perform shows, give concerts and have taken part in the Norfolk County Music Festival where we were graded "outstanding".
- We learn about and sing a wide range of music and have fun.
- You do not have to audition all we ask is that you come along for a trial session.
