

Christmas through the Ages at Strangers' Hall

(2 - 11 December @ 9.45 - 11.45 am)

An Event for KS1

Children can enjoy a festive morning at Strangers' Hall finding out about Christmases in the past. This hands-on, half-day event gives children the chance to:

- Explore some of the decorated period rooms at Strangers' Hall, led by a costumed character who will talk to them about how Christmases, including a Victorian Christmas, were celebrated
- Handle some artefacts relating to Christmases Past - to identify them, to help develop their understanding of Christmas celebrations in the past and to think about the lives of the people who owned them
- Participate in a Christmas craft activity, making their own Christmas decoration

Cost: £2.50 per pupil (free to all accompanying adults).

Bookings: Phone Faye Kalloniatis on 01603 493662 or email her
