Dear Headteacher

Re: Year 6, Growing Up and Puberty Education Sessions

Reluctantly, due to lack of resourcing, we are unable to offer classroom support with this topic for the foreseeable future. However we are happy to provide advice and support regarding this subject in the form of

- Worksheets
- Video material
- Curriculum consent for this sensitive subject
- Help with developing/reviewing sex education policies with school staff and governors
- Support for individual children as appropriate

Advice and support is also available from your own PSHE advisor within education.

If you have any comments to make about this we would be glad to hear from you.

Yours sincerely

School Health Advisors
South Norfolk School Nursing Team
