Cash for Carols

Cancer Research UK wants **schools** to raise funds and raise the roof with its **latest appeal** to sing out this Christmas! Through its Cash for Carol Appeal .

It is encouraging local schools to raise thousands of pounds to support research into childhood cancers. Schools can:

- **Donate** money from their carol concert
- **Hold** a non uniform day
- **Arrange** a Christmas Quiz

Your school carol concert could help us cure cancer faster. We can provide to carol sheets, balloons, collecting boxes, banners and quiz sheets. What better way to get into the festive spirit and help cure cancer faster!

All the money raised will go towards Cancer Research UK' s programme to prevent, treat and cure childhood cancers. While childhood aincers are comparatively rare, affecting 1 in 600 children before the age **of 15**, there are around 1,400 children diagnosed with cancer every year in the **UK**.
