GRESSENHALL

What's on for your school?

Roots of Norfolk, the Norfolk Rural Life Museum, is a really worthwhile educational visit. It offers an exciting but safe site in beautiful unspoilt Norfolk countryside.

Explore atmospheric recreations of homes and shops and enter the world of the workhouse, its people and their stories.

Children love the traditional farm with its heavy horses and rare breeds of animals.

'We gave the day 10 out of 10!'

Fakenham Infant & Nursery School

'...one of the most educationally valuable (days out)... a truly wonderful experience for our children'.

Middleton VC Primary School

February 2003

Dear Colleague

I'm delighted to enclose for you our 2003 Education Programme. Last year we welcomed 8,000 school students to Roots and feedback from teachers and students alike was highly positive.

In response to your comments, we have introduced a number of new school programmes:

- Under 5's special
- Victorian Christmas (following highly successful trials last year)
- Inset training for teachers

As you can see, the programme covers a number of curriculum areas. Please pass the programme on to other of your colleagues who may be interested. It is also available on our website (www.norfolk.gov.uk/tourism/museums).

If there is something you would like to do which does not appear on the programme, please feel free to pick up the phone and talk to us. We will be happy to explore possibilities with you.

Yours sincerely

Colly Mudie
