

Visits for School Groups

Norfolk's College of the Countryside

Curriculum based farm and countryside visits

Geography, Science, Citizenship, Maths, English, Art,

At Easton College we have:

- A 280ha mixed farm with dairy cows, sheep, poultry and - new this year - a deer park with a small herd of fallow deer. Crops include wheat, barley, sugar beet and maize
- The farm estate is managed for conservation
- The Schools Barn including a heated classroom, teachers resource area, toilets and attached woodland garden (with red squirrel enclosure), pond and picnic area

All visits must be pre-booked and groups are taken round by experienced guides. We are happy to plan your visit programme with you so it matches curriculum needs. Teachers are welcome to come here on a pre-visit to finalise planning

Special sessions for Key Stage 1 groups starting in National Science Week:

Living and Growing

Discovering how plants grow and sowing seed to take home, seeing the young animals on the farm and finding out what they need to grow.

These sessions are available on some Wednesdays from March 12th, 10.00 - 2.30

There is a charge of £1 per child
A travel grant of up to £50 per school is available for most visits here (from the Clan Trust). Details will be sent when you book

For more information or to plan a visit contact:
