Mammalaction

Yes, I want to join Mammalaction, the youth group of The Mammal Society, for only £6*.

Name: _____

Address: _____

Postcode: _____ Tel: _____

Date of birth: _____

*I enclose a cheque payable to The Mammal Society for £6 ☐

Please cut and return to: The Mammal Society, 15 Cloisters House, 8 Battersea Park Road, London SW8 4BG.

The Mammal Society will not pass your name and address to any other organisation. We may from time to time send you details about other activities of The Mammal Society, including joint initiatives with other organisations and trading activities. If you would prefer not to receive this information, please tick the box. ☐

Mammalaction encourages under-18s to discover more about mammals in a fun and enjoyable way.

BENEFITS TO YOU

- Become a mammal detective and learn to handle and identify British mammals
 - Take part in our mammal surveys – contributing to mammal research
 - Watch mammals such as badgers and otters in the wild
 - Learn field techniques such as radio-tracking red squirrels
- And more . . .

What the Careers Adviser didn't tell you!

The Mammalaction guide to getting a job with wildlife. A one-day family event to quiz the experts, hear their stories and meet the animals.

Saturday 16 March 2002
at Bristol Zoo Gardens
10am - 5pm

How to find us

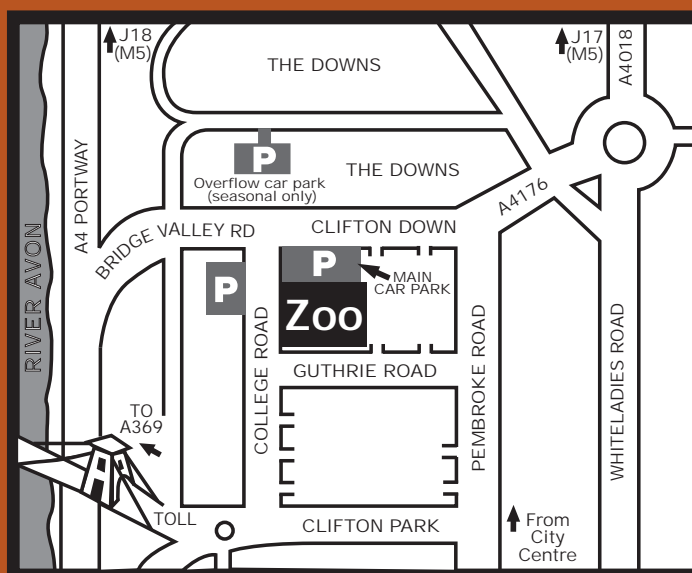

By Bus:

Take the 8 or 9 between Temple Meads Station, City Centre, Redland and the Zoo.

By Road:

From the M5: J17 take A4018 or J18, then follow brown elephant signs. Please note: Bridge Valley Road may be closed coming off the A4 Portway.

Use the Education Centre entrance on Guthrie Rd; look out for signs and helpers!

Mammalaction's Working with Wildlife 2002 costs:

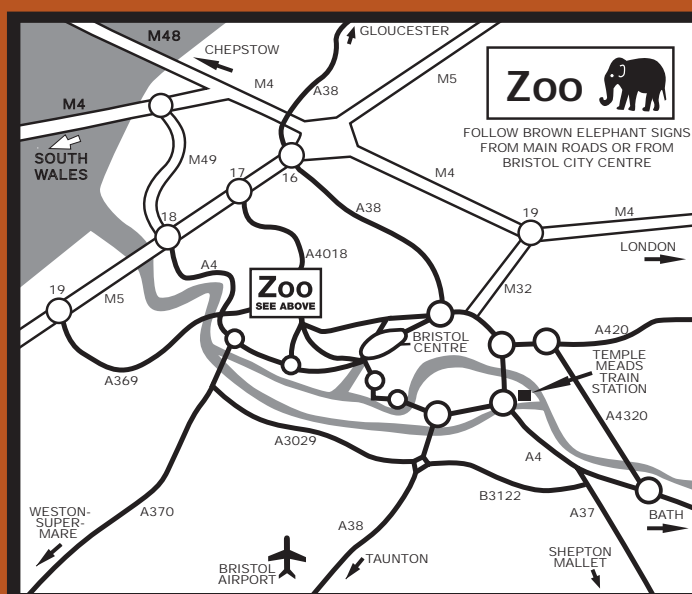

£4.80 (3-14s)

£7.40 (15-18s and students)

£8.40 (adults)

Or only £3.50 (3-18s and students) and £6.40 if you bring this flyer or the voucher with you!

This will give you priority access to the talks and access to Bristol Zoo Gardens.

Experts' stories

There will be a programme of speakers throughout the day, including talks by:

- **Gordon Buchanan**
(Wildlife cameraman and tv presenter)
- **Professor David Macdonald**
(Wildlife Conservation Research Unit, Oxford University)
- **Simon Garrett**
(Head of Education at Bristol Zoo Gardens)
- **Pauline Kidner** (wildlife rehabilitation)
- **Penny Cresswell-Lewns** (badger consultant)

We will have other celebrities, including *BBC Wildlife's* editor, on hand during the day as well as talks from a nature reserve warden, wildlife veterinary surgeon, ecologist, safari guide and others.

R Strachan

Animal activities

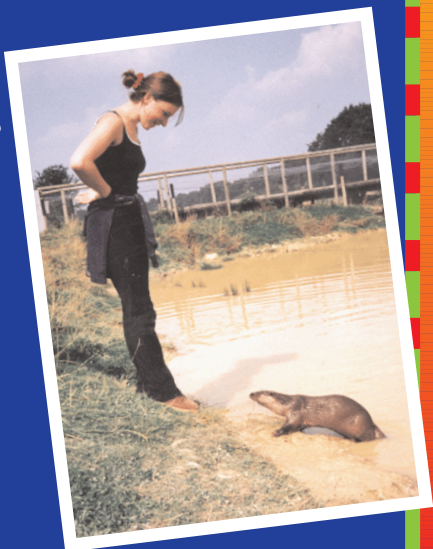

There will also be:

- Access to Bristol Zoo Gardens, including public talks
- Mammalaction's Mammal Trail with prize
- Launch of the new Rattitudes survey
- Finding mammals in owl pellets
- Exploring the touch table
- Meet the animals at 'Animal Encounters'

And

- Face-painting, badge-making and brass-rubbing (at extra cost)

J Savery
