

Encourage your pupils' imagination and sense of adventure with a day out at the Dinosaur Adventure Park.

With around 100 acres of woodland to explore, youngsters can enjoy an action-packed day out, learning without even realising it! The day can be linked to the National Curriculum with a range of fascinating activities, both at the park or in the classroom:

Find out about these amazing reptiles and how they lived

Discover 'dinosaur remains' in the fossil dig

Learn about evolution and dinosaur habitats in the Education Centre

Meet a whole range of animals in the Secret Animal Garden, learning through information boards, demonstrations and activities

NEW FOR 2003

- Choose our new FREE 'All About Ostriches' talk or a Deer Safari *
- Bigger and better features in the new Lost World A-mazing Adventure

Plus all your favourites including the Dinosaur Trail, Raptor Racers, Jurassic Putt, Climb-a-saurus and our monster adventure play area.
