## Our conference venue...

Founded in 1577, Woodbridge School nestles in the heart of the historic town of Woodbridge on the banks of the River Deben. Set in lovely grounds, the school has a long tradition of working in its local community. All rooms are single occupancy and its catering has an excellent reputation. We feel sure it will provide a superb venue for our conference this year

Venue Woodbridge School,  
Woodbridge, Suffolk

## Working with Dynamix

Dynamix is a workers co-operative set up in 1988 and has been involved in designing and facilitating co-operative education activities across the country and abroad. All the ideas and activities are easily transferable and can act as a springboard for future development.

The methodology fits all curriculum areas across all key stages and addresses themes such as: social inclusion, citizenship, participation, communication skills, positive behaviour, reducing truancy and

exclusion, self esteem and anti-bullying, creative classrooms, teaching and learning styles, school community partnerships, preparation for work experience and school councils.

Dynamix believe that if young people actively contribute to a process from the start they are more likely to make it succeed.

IPSWICH AND NORWICH

2<sup>nd</sup> Co-operative Education Conference

# ENTERPRISE + CITIZENSHIP

...CONNECTING CO-OPERATIVELY!

11<sup>TH</sup> - 12<sup>TH</sup> JULY 2003

IPSWICH AND NORWICH

For educationalists from Norfolk and Suffolk  
working with young people 4 -19 years

Venue Woodbridge School, Woodbridge, Suffolk

## About this conference...

All students are entitled to an enterprise experience. This conference will explore developments in the application of co-operative enterprise whilst exploring other current issues associated with the citizenship and work related learning agendas. The event will provide an opportunity to...

- share good practice and learn new skills
- gain a 'tool box' of ideas and activities
- develop co-operative learning methodologies and skills
- have some 'serious fun'
- learn and develop in a creative, friendly and informal atmosphere

The Ipswich & Norwich Co-operative Society's, Education Department, has a long tradition of

working with local schools, teachers and students across Norfolk and Suffolk in partnership with:

- The Suffolk Education Business Partnership (EBP)
- The Exchange, the Education Business Consortium for Norfolk
- Suffolk and Norfolk LEA's

Together in planning this event, we hope to help sustain our existing work, give an opportunity to include new schools, teachers and educationalists and look at how we can all work in partnership in our communities in the future.

The conference is suitable for teachers and educationalists working with young people 4 - 19 years in Norfolk and Suffolk.

## Programme...

The conference will start at 10am Friday 11th July and end at 4.00pm on Saturday 12th July. The two days will be informative, informal, inspiring and rewarding.

Dynamix will be the key facilitators (see back page) and will take us through the principles of

co-operative learning and give us a number of tried and tested ways of applying these techniques to the current educational agendas. There will be a range of informative and participative workshops and an evening session of fun and relaxation - co-operatively of course!

## Workshops to include...
