Dear Colleagues.

Re: Snapp Committee Members

It is time to seek committee members for some areas of the County. The constitution states that members serve for a period of three years and some of the original committee members have reached the end of the three year period. Self-nominations are sought for the following areas and age groupings for the coming period. Self-nominations should be sent to the chairman Mr David Osborne at the address below by Tuesday 17th June. If there is more than one nomination for a post then an election will be held later in the summer term. The snapp committee meets twice each term for a day to discuss primary matters and meets with officers of the County to help plan for the future. Members may also be asked to sit on one of the partnership groups that have recently been formed.

Self-nominations are sought for the following positions.

West

KS1 Rep
KS2 Rep

South East

KS3 Rep

North

Central

Please call David Osborne at Wroughton Middle on 01493 662756 or email.

Yours sincerely

John Ward
Snapp Secretary
