

National union of Teachers- Norfolk Division

Dear Colleague,

NUT SURVEY

We are very concerned at the reports we have been receiving about the impact of financial cuts in schools. In the Eastern Region, for example, we have been informed of :

- redundancies and non-filling of vacancies (current and planned) amongst teaching staff and non-teaching staff (impacting upon the support to teachers);
- reductions in hours for staff;
- budget cuts in schools;
- deficit budgets in schools;
- replacing teachers with non-teachers;
- expectations that “remodeling” will not be implemented in some schools due to finance cuts;
- impacts on curriculum.

To assist us with highlighting the situation, it would be helpful if you could complete and return this brief ‘spot survey’ as soon as possible. Please note that individual schools will not be named in the survey results. Thank you in anticipation.

Yours
Tony Mulgrew (Div. Sec.)
