

Non Uniform Day

In aid of BREAK Charity

We are hoping to promote a yearly event within educational establishments to help fundraise for **BREAK** and educate children and young adults into the benefits of volunteering or helping generally within their community. Next year we will plan for a specific date that will become **BREAK DAY** but for this year we are hoping that you will be able to nominate and hold a non-uniform day, possibly during the Autumn Term. We hope that every child will be able to bring in **£1** and it may be possible for some of your school prefects to visit **Rainbow** in Sheringham or **The Sandcastle** in Hunstanton to see where their donations will be spent. We can also arrange for information talks about **BREAK** to be given at assemblies if required.

Registered Charity 286650

If you would like any posters to publicise your event please contact me with your proposed date and I can provide them for you. Also, if you would like tear off slips to send home to parents or carers again, please let me know. Of course we would like you to hold this event to help us fundraise but we do not wish to cause you any extra work. Therefore we feel it should only involve: - Deciding upon a date, requesting the children or students to take part, collecting in the money and sending us a cheque!
We do hope that you decide to participate, please let me know your decision or any comments as soon as possible. Thank you.

For more information on how you can help please contact: -
