Why not join us at Norwich Castle Museum & Art Gallery for our new, fun-packed event for Early Years groups? Your pupils will use the Castle to find out more about light and dark. It is designed to give your children a head start with the Foundation Stage Curriculum.

This event is intended to develop the imaginations of pre-school groups and to strengthen their knowledge of the past in a creative and safe environment.

It is suitable for groups who are aged 4-5 years old, including Reception classes.

The activities include:

- looking at night time creatures
- making a pair of night time eyes
- exploring night and day time in paintings
- making a shimmery light picture
- finding out about sleeping in a Castle
- learning a night time song

There is no admission charge to the Castle. The cost of the event itself is £2.50 per child (accompanying adults are free).

If you would like to book your class into this exciting event then please call the Castle booking line on (01603) 493636.
