Sustainable use of our Natural Resources – Managing Waste

The waste hierarchy

Develop educational material and worksheets

- Would you like to support and work with the Environment Agency in the development of curriculum materials that tackle some of the most important environmental issues facing us today?
- You are invited to attend a one-day workshop on Thursday 6 November 2003.

The placement will involve

- Developing ideas for materials for Key Stages 2 and 3 to complement Science, Geography and Citizenship requirements of the national curriculum, plus other cross-curricular activities
- Developing links and ideas for the future
- A greater understanding of the work of the Environment Agency
- **£100 will be paid towards supply cover costs**
