## Academic Year Diaries, Registers, Mark Books, Homework Diaries and Planners 2004/2005 requirements

Please find attached the pre-printed order form for academic year diaries, registers, mark book and planners.

### GREAT VALUE

No price increases on last year for most products. The ESPO academic year desk diary represents great value at 99p each. It is published to our own specification and contains useful information about the Local Education Authorities within the Consortium. For those schools and colleges who prefer it, the Pirong diary is also available at a cost of £2.95 each. It is a similar diary to the ESPO version but without the LEA information.
