

Dr Stephen Ashworth

# Lies, *Damned* Lies or Statistics?

Everyday we are bombarded with statistics, but are the numbers all they seem? See how scientists manage the number crunching involved in their research in this interactive excursion into statistics and probabilities.

**Wednesday 15 October 2003**

Lecture 6.30pm

Lecture Theatre 2

University of East Anglia

Admission is free and by ticket only,  
please apply to the Communications  
Division, telephone 01603 591285
