

Family Learning Weekend

With the Norfolk Family Learning Programme
Now that autumn is here it's a great time to
take a walk and discover colours in your local
area.

Turn over the page and you will find a paint
palette.

Put a colour in each space.

You could use colours from

- ❖ a paint chart
- ❖ magazines
- ❖ crayons or paints.

With your family have a colour hunt and see if
you can find natural items that match the colours
on your nature palette.

On your hunt you may find interesting seeds.
Take one home to plant and watch to see what
grows.

Visit your library and find out the names of the
items you have found.

Happy hunting!
