28th October 2003

Dear Head of Mathematics & Students,

THE ANNUAL SIXTH FORM LECTURE

Once again you are warmly invited to attend the annual sixth form lecture. This year it is to be held on **WEDNESDAY 12th NOVEMBER**, commencing at **2.00 pm***. The venue is **LECTURE THEATRE 1** at **The University Of East Anglia**.

The lecture is to be delivered by

Dr Tom Korner

of

Cambridge University Department of Pure Mathematics

The title is

HOW TO CHASE A SUBMARINE

If you would like to attend this lecture, please fill in the reply slip below and return it to me not later than **10th NOVEMBER 2003**. As this is always a very well attended event, an early reply would be very much appreciated, so that possible numbers can be accurately estimated well in advance. The lecture will last about an hour, and will be followed by a question-and-answer session for those who are able to stay.

[*We would ask all those attending the lecture to be in their seats by 1.50 pm at the latest]

Hoping to see you on the day,

Peter Walker

Hon. Secretary

P.S. Remember that all published information about the branch can be found on our section of the national MA web site, found at www.m-a.org.uk. We are always interested in new members for the local branch. Please either contact the treasurer, Anna Dunlop on 01603 455308, or myself if you or any of your colleagues would like to become members.
