

National Professional Qualification for Headship

You are invited to attend a

BRIEFING SESSION

For prospective applicants and headteachers

From April 2004 the NPQH will be mandatory for all those taking up their first headship. If you have what it takes to be a transformational school leader and are aiming for headship, now is the time to think about applying for the NPQH.

Headteachers play a crucial role in supporting candidates through the programme. This is your opportunity to find out about the programme, and to consider what it means to have an NPQH candidate in your Leadership Team.

"Without doubt the National Professional Qualification for Headship is the most relevant training that I received and it has given me the insight and knowledge to tackle my first Headship with confidence."

Jo Wincott, Roding Valley High School, Loughton, Essex
