

# Things that go bump in the night!

An event for Early Years/Foundation Stage

**Venue:** Norwich Castle Museum

**Dates:** March 9, 12, 17, 24, 26, 29, 30

**Times:** 10am – 12noon on each day

Norwich Castle is offering a chance for Early Years groups (children up to 5 years old) to visit and participate in a range of activities based on the theme light and dark (relating to the Foundation Stage Curriculum).

Your groups will be supported by the Castle's education and interpretation staff.

Children will have a hands-on experience:

- looking at paintings, then creating their own picture
- looking at night-time animals in the gallery & making owl eyes
- listening to storytelling

*Drink and biscuits will be provided for the children during the break.*

**Cost:** £2.50 per child and free to all accompanying adults.

If you would like to stay on after the event, you can book the picnic room and bring packed lunches; then you can spend the afternoon looking round the Castle.

To book, or for more information, email [faye.kalloniatis@norfolk.gov.uk](mailto:faye.kalloniatis@norfolk.gov.uk) or phone her on 01603 493662.
