

# Design Competition

## for Norfolk's RE Agreed Syllabus

Pupils in Norfolk schools are invited to submit designs that could be included in the new Norfolk Agreed Syllabus for Religious Education, which is currently being revised.

We are looking for a front cover design that represents all the major faiths. We are also looking for additional designs with any RE theme to be used inside the syllabus.  
Entries should be A4 'portrait' size.

Prizes will be awarded to winning schools in each Key Stage.  
Entries will be displayed at the Annual SACRE Workshop on Tuesday April 27th at Norwich Professional Development Centre.

Entries to be sent by March 29th 2004 to: Helen Matter,  
RE Adviser, Norwich Professional Development Centre,  
Woodside Road, Norwich NR7 9QL.

We are also interested in any photographs of RE activities, displays, visits and examples of good RE work, written or drawn, which could be used to illustrate the new RE Agreed Syllabus. All work used will be acknowledged. Photographs of pupils and work submitted must have parental/carer permission for possible publication.
