Dear

Invitation to the launch of "DoughUK.com" – the young people's personal finance resource.

On behalf of the trustees of AWTF and the Project Steering Group I would like to invite you to attend the launch of DoughUK.com. at "OPEN" the Norwich Youth venue at 2pm on Wednesday 2nd June 2004.

DoughUK.com is a web-based resource which allows young people to explore their knowledge of personal finance. The site contains examples, activities, information and signposting, allowing young people to dip-in to the resource for specific aspects of finance (for example, banking, budgeting etc.) relevant to them. The resource will also be available in CD-rom format.

The resource has been developed by a multi-agency steering group with support from AWTF. Young people themselves have been heavily involved in the development and trialing of the materials.

At the launch we will hear from John Allen (Education Consultant and former Principal Officer for QCA) on the importance of personal finance work with young people, and we will have a demonstration of the materials by the designers, Accent Design. Refreshments will then be provided, with an opportunity to try the materials for yourself! Our guests will also receive a copy of the current CD-rom version of the materials.

I do hope you will be able to attend, but if you are unable to make it to the event we would welcome a representative in your place.
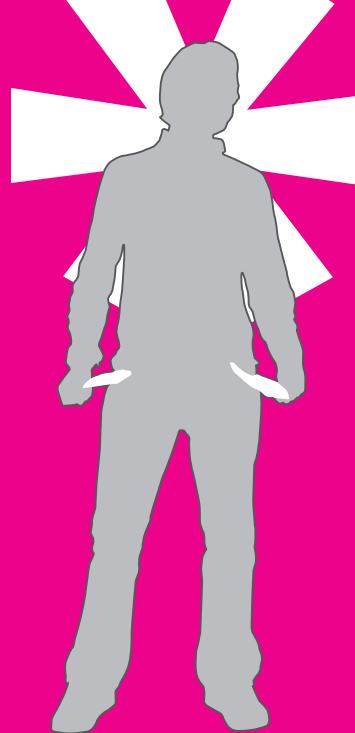

Yours sincerely

Graham Blagden
Chairman of the Trustees
