To Headteachers of all Norfolk schools

6 September 2004

Please ask for: Sue Astbury
Email: sue.astbury@norfolk.nhs.uk

Dear Headteacher

Walk to School Week: 24 to 28 May 2004 – Giving Children Time to Walk and Talk!

We are delighted to announce the winners of the Schools Challenge:

'Can you keep them walking and talking?'

All schools that returned their hands-up survey forms showed a percentage increase in the number of children walking to school during the week.

The prize winners with the biggest percentage increase were:

1. **Stoke Holy Cross Primary School**
2. **Cringleford CE VA First and Middle School**
3. **King's Park Infants, Dereham**

Most schools also managed to keep more children walking to school 2 weeks after the event. But the schools with the biggest percentage increase of children continuing to walk to school were:

1. **Browick Road Infants School, Wymondham**
2. **Hockering CE VC Primary School**
3. **Costessey Junior School**

Congratulations to all our winners and everyone who took part in this event. During the Autumn Term you could join children and adults around the world and take part in **International Walk to School Week**. This national and international event will take place from **4 – 8 October 2004** and is an opportunity, not only to promote the benefits of walking to school, but also to give the children a chance to learn about other children's lives around the world.

To get involved visit www.iwalktoschool.org

Yours sincerely

Sue Astbury
