Literacy

Transition Training for Year 6 to Year 7 Key Stage 3 English and Mathematics

The course will explore transition issues around literacy in the morning session and mathematics in the afternoon. It is designed to bridge the gap from the end of Year 6 and the start of Year 7 in both English and Maths.

Participants should have some role in the planning of work in Year 6 and Year 7 e.g. - a Year 6 leader or a head or second in a secondary school department.

The day will focus on:

- national transition materials in both subjects
- facilitating Primary resources
- transfer of relevant resources/pupils' work.

By the end of the day participants will have:

- a range of practical activities/resource ideas to deliver through these English and Maths transition units.

Please bring your national Key Stage 3 transition materials and the relevant Frameworks.

Refreshments will be provided.

Course Leaders: Jan Jarrett/Janet Warburton/Pete Yong/Pauline Mclean

Cost: £0.00

This course is funded out of Standards Fund. There is no charge
