

Excite their IMAGINATION

Become an Early Years Bird Friendly School

Following on from a successful first year we are looking for schools that would like to take part in a new pilot scheme specifically aimed at 3-5 year olds. You wouldn't have to do anything, all resources are provided along with a fully trained CRB checked volunteer. The project is free and each school will be given a free starter kit that includes bird feeder, food and a nestbox.

'The visit were highly successful and very much appreciated'

'The activities were perfectly suited for 3-5 year olds'
