Course Context/Audience:

This course is aimed at Headteachers and Senior Leaders in the Primary Phase and will focus particularly on judging attainment and progress in KS2. The course will enable Headteachers and Senior Leaders to understand and interpret data for self evaluation.

Participants must bring:

- Copy of the RAISEonline full report
- Username and password for RAISEonline (administrator - usually SADMINxxxxx). Please check you have this and that it allows you access. The passwords can be reset by contacting enquiries@ofsted.gov.uk (new passwords are sent by letter, so allow two weeks).

Objectives:

The objectives of this course are to:

- go beyond the RAISEonline full report and explore its interactive capabilities
- create and use the additional school defined pupil characteristics to enhance filtering capabilities
- identify the impact on APS and CVA of individuals and groups of children
- consider the overall impact of contextualising the raw value added in Key Stage 2
- use RAISEonline effectively to provide evidence to support school self-evaluation

This course will include both hands-on analysis of school's own data and an opportunity to reflect on your own self-evaluation of attainment and progress.
