## Mathematics Specialist Teachers in Primary Schools

---

“There should be at least one mathematics specialist in each primary school, in post within 10 years, with deep mathematical subject and pedagogical knowledge, making appropriate arrangements for small and rural schools”

Sir Peter William's review of mathematics teaching in early years settings and primary schools

**We are looking to recruit** teachers with an enthusiasm for and an interest in mathematics. This is an exciting opportunity to engage with funded CPD at Masters Degree Level alongside the development of practice in your own classroom and more widely. The programme will last for two years and will include half termly training in addition to a further four days of training each year to be delivered by The Institute of Education, King's College London.

- **Cohort 1:** start date January 2010, closing date for applications 11 December 2009 (40 teachers from schools with 200+ Number on Roll will be selected)
- **Cohort 2:** start date September 2010, closing date for applications 26 March 2010 (40 teachers from schools with any Number on Roll will be selected)
- **Cohorts 3 onwards:** annually from September 2011, closing dates for applications to be advised (40 teachers for each cohort with any Number on Roll will be selected).
