

## **SENCO Essential Skills and Information** **Programme 2009/10**

This programme provides termly information updates and SEN training and development opportunities for mainstream SENCOs, nominated staff in special schools, other settings and Area based staff, 'free' at the point of delivery. The session is facilitated by the Senior Adviser Inclusion LDD/SEN, who plans a different agenda for each session, according to national, regional and local issues.

The training themes for the Autumn term will be SEN CPD Opportunities, the (**new**) Norfolk SENCOs [website](#), the Progression Guidance and the Inclusion Development Programme (IDP) Autism.

Although there is no fee for this course, colleagues are asked to book a place at their preferred location, date and time. (The session is hosted in all 5 Areas in either the morning or afternoon and a new evening session is now available). Please book via the [website](#) or for further information please email [judith.carter@norfolk.gov.uk](mailto:judith.carter@norfolk.gov.uk).

### **Course Objectives:**
