Manchester - Formby Hall, Atherton

Day 1 - 17th November 2009 and Day 2 – 23rd March 2010

Huddersfield - National Children's Centre

Day 1 - 18th November 2009 and Day 2 – 24th March 2010

Course Details

A two day training programme for developing thinking using cognitive acceleration techniques, delivered by Ken Gouge author of the book *Let's Think through Literacy!*

For further detailed information please visit the course website:

<http://www.eiat.org/literacy.php>

What key stage age range is the course designed for?

This course is designed for developing thinking in nine to eleven year olds but can be adapted for all key stages.

Who will benefit from the course?

This course is designed for school teachers, teacher-trainers, curriculum advisors and literacy coordinators.

Course benefits

Children's literacy is improved by developing their ability to think logically, enquire, reason and process different kinds of information. Many years of rigorous evaluation have shown that cognitive acceleration develops these types of reasoning and has substantial, positive effects on pupils' cognitive growth, so raising attainment.

- Improves children's ability to solve problems
- Encourages children to recognize and develop how they think
- Builds children's confidence and social skills through group interaction
- Develops children's speaking and listening skills

What's included?

Each participant will receive a copy of the book *Let's Think through Literacy!*

This book has photocopy-free pupils' resources, supported by detailed teacher's notes and lesson plans. The retail value of this book is £55.

2 day course cost

£289 + vat, includes a copy of the book *Let's Think through Literacy!* plus relevant training resources, lunch and refreshments.
