

# Global School Partnerships

Reciprocal  
Visit Grants

Is your school partnership interested in projects which explore global education goals? Would teacher visits help you plan joint curricular activities?

Grants are available to partnerships between schools in the UK and schools in an eligible Southern country that are working together to embed global education in their curricula.

**Grants are awarded to school partnerships that can demonstrate:**

- Strong global education goals
- Sustainable aims
- Equity-based relationships.

**The type of grant available:**

**Reciprocal Visit grants** are for young partnerships. They enable teachers from each school to visit their partner school to plan joint curricular work with global education goals.

**Next application deadline:**

1 May 2010

**Grant Preparation Seminars**

Come to one of our seminars to help you apply for funding.

**Each seminar will look at:**

- Features of successful partnerships and curriculum projects
- Application processes and assessment criteria
- Support available.

There will also be time to discuss any questions you have.

**All seminars run from 10.00–15.00.**

Seminars are free and lunch will be provided. Booking is essential.
