## RHS Campaign for School Gardening Free Twilight training in Norfolk Spring and Summer Term 2010

### Spring term Objectives:

Prepare your school garden for the growing year ahead  
Create a spring term checklist of all the things you will need.  
Learn what to sow and grow in the spring and summer term  
Ideas for running a gardening club

### Summer term Objectives

Learn what to sow and grow in the summer term  
Explore ways of watering your school garden – including setting up an automatic watering system  
Explore the use of sensory plants in your school garden  
Learn how to take cuttings.

If you are a teacher, teaching assistant or parent helper we would like to invite you to a **free training session** to be held at your nearest **Campaign for School Gardening** Partner or Associate School. **We can accommodate up to 2 participants from each school attending the training, subject to a maximum of 25 overall**
